ABOUT US

VERON Pharmacare was established in the year 2005 with an objective of providing the best quality surgical products, surgical sutures safety needles, medical devices, hospital disposal products and medical kits to our customers.

We are one of the leading Merchant Exporter of a wide array of hospital disposable, medical consumables, hospital equipment's and medical kits for the benefit of the Humanity.

During these years, we have successfully created a niche for ourselves in the health care industry by providing products that serves the purpose of a wide spectrum of our global customers.
